Featured Speaker:
Steven A. Maybell, PhD

Spend two days with Steven A. Maybell, Ph.D. who started *The Series*, the three course program in Adlerian Theory, Adlerian Psychotherapy, and Adlerian Family Therapy, leading to the **ISIP Certificate of Professional Studies in Adlerian Psychology**. Those of you who took *The Series* from Steve know how well he is able to bring clarity to Adlerian ideas and create a dynamic learning environment.

Steve is one of the world's 35 Diplomates in Adlerian Psychology, as well as a Diplomate in Professional Psychotherapy, a Diplomate in Clinical Social Work, AAMFT Clinical Fellow and Approved Supervisor, and listed in Who's Who Among America's Teachers. He is currently the Director of the Student Counseling Center and Professor in Marriage and Family Therapy at Seattle Pacific University. He also maintains a private consultation and supervision practice for licensed mental health professionals and those pursuing licensure.

Dr. Maybell has authored numerous publications including "Raising Respectful Kids in a Rude World" (Prima 2001) and "Calming the Family Storm" (Impact 2005). Dr. Maybell has been teaching Adlerian Psychology for over 40 years.

Steve's consistently positive evaluations are a testimony to his ability to make Adlerian Psychology practical, accessible, and relevant to today's world and today's problems.

Adlerian Toolkit: Continued

Steve has put together a special two day training for us, sharing the most innovative, impactful, therapeutic strategies he has come across in his over 40 years of practice, almost never included in Adlerian therapy trainings.

The course will incorporate lecture and discussion, experiential exercises, and video and live demonstrations.

Therapeutic techniques will be chosen from the list below.

- Renewing Adlerian Theory – Extending Our Understanding of the Mind/Body Connection
- Traps and Escapes: Understand Where "Resistance" Comes from – Know What to Do
- Steve's Grief and Loss Notes
- Holistic-Metaphorical Therapy - A Five Minute Intervention
- The Memory Re-Authoring Technique
- Helping Clients Heal Trauma – Bottom Up Processing
- Revisiting the Empty Chair
