William Pettit Jr., MD

-Where I have been:

I was the 2nd of 6 from a Midwest Catholic family. I have been a medical doctor for 55 years including 2 years as a surgical

resident and 3 years as a family physician for a squadron of Navy pilots, prior to becoming a psychiatrist. I was married to my first beautiful and brilliant wife Sue, for 31 years until she died of cancer in 2000. I have been married to my beautiful and brilliant wife, Linda Sandel Pettit Ed.D since 2003. I have 5 children, 11 grandchildren and 3 great grandchildren.

Linda and I have lived in Phoenix AZ since June of 2017. I have active medical licenses in Arizona, South Dakota and Michigan I have been a psychiatrist for 45 years in many settings, including private practice, academics, state hospital, forensic patients and community mental health centers. I have been awarded Board Certification in Psychiatry and Neurology, Adolescent Psychiatry, Geriatric Psychiatry, Psychosomatic Medicine and certified in Addiction Medicine twice in 1988 and again in 2004

Dr. Linda Sandel Pettit

Dr. Linda Sandel Pettit is an author, speaker and personal consultant, whose life's work is listening. Linda listens and intuitively how to point others toward powerfully creating life from Love. She is highly skilled at shaping a safe crucible for transformative change. As a mentor, she has been called, "fiercely sensitive and sensitively fierce." Linda's work rests on a psychospiritual understanding known worldwide as the 3 Principles.

Linda holds a doctorate in counseling psychology from West Virginia University [1991], a master's in counselor education from Siena Heights University [1983], and a bachelor's degree in journalism from Michigan State University. She has enjoyed an 8-year career in public relations, a 40-year career in mental health, and a 50-year career as a writer. Linda is married to Bill Pettit, MD, a psychiatrist, and recognized teacher of the 3 Principles. They make their home in Phoenix, Arizona and are over-the-moon about their family: five children and their partners, eleven grandchildren and three great-grandchildren. Linda loves bike-riding, swimming, walking, reading, writing and coffee!

"All human psyches are rooted in universal truth and no person's psyche is better than any other's. Only to the degree of psychological and spiritual understanding does it appear to vary."

Objectives of the workshop:

- Discuss how the understanding of the metaphor of the 3 Universal Principles of Mind, Consciousness, Thought point to the attributes of the Energy of all things formless and in form as intelligent, aware, and creative.
- Discuss the evidence that the Nature of The Energy of All Things is Love
- Discuss "no person's psyche is better than any others. Only to the degree of the individual's psychological and spiritual understanding does it appear to vary."
- Discuss the difference between a theology and a religion.
- Discuss the connection between our formless spiritual nature, our thought created psychological nature and our thought informed physiological nature.
- Discuss emotional and/or physical distress as alarm(s) serving a salutary purpose.
- Discuss why laughter has the same potential for healing from mental distress as Ketamine, LSD, Psilocybin, and ECT
- Discuss "There is always hope because there is always health."
- Discuss "psychiatric diagnoses/labels are an attempt to describe Where you are NOT Who you are"
- Discuss the ramifications, if true, of the statement that "a spiritual wisdom lies within the consciousness of all human beings"
- Discuss that experience is an 'Inside-Out Not and Out side-In creation.

**Linda Pettit will be presenting:
Three Devine/Uninversal Principles
A Logic for Love, Social Interest
and a Psychology of Growth and Maturity**
